

Year Two

Spring 2 Newsletter

Next half term, our main topic will be *Geography* based.

We will be finding out about the Local Area through research, stories, and art. We will look at the coastline and other features of the landscape. In **History** we will be finding out about Redcar in the past.

In fiction writing we will be writing our own postcards based on *At the Beach* By Roland Harvey. We will also be writing leaflets about Redcar and seaside poetry. We will be practising all Y2 grammar and spelling expectations especially homophones and prefixes (un/dis), suffixes(ment/less/ful/ly)

In **Maths** we continue to focus on the four operations addition/subtraction /multiplication and division. Y2 will also be recalling time and shape through problems and reasoning.

As part of our theme, we will be creating seascapes, exploring colour and texture through paint and other mediums

PE lessons will be on Wednesday and Friday and will be based on throwing, catching and fielding skills. Please ensure children have a full, NAMED PE kit (left in school). Please provide tape for pierced earrings (studs only).

In **Science**, we will continue to investigate habitats, especially micro- habitats, and food chains.

Homework - Homework will be given out every Friday and is due in on Thursday. Please ensure your child continues to read at home on a regular basis and are recording the books they have read in their Reading Record. Spellings will continue to be given out on a Friday. We would appreciate your help by assisting your child in learning their weekly spellings. Thankyou in advance for all your continued support.

We hope to be visiting Saltburn this term, watch out for the letter confirming our visit.

Kind regards

Mrs Gowland, Miss Hails and Mr Cozens (Year 2 Team)
